Where Great Things Are Happening
NewportNewsVA.com

We're HOME to a unique urban landscape that fosters business success.

Our **stable economy**, topped off with abundant **lifestyle amenities**, make this a great place to enjoy your time *after* work too.

This attractive diversity is among the reasons Mary moved to Newport News from California. Named an *Inside Business* "Women in Business" honoree, she enjoys showing off her **new hometown.**

Check out some of Mary's favorite things **to see and do** in Newport News.

- World-class performances at the acoustically superb Ferguson Center for the Arts
- A collection of museums featuring science, maritime, art and natural history all on the cultural corridor
- Newport News Park, the largest municipal park east of the Mississippi
- All the boutique and name-brand shopping anyone could ever want
