Economic Equity Fund

The Story

The Economic Equity Fund is a \$10 million loan fund that provides low-cost financing for small, BIPOC- and/or women-owned businesses that were disproportionately affected by the economic impact of the pandemic. In addition to low-interest loans for eligible borrowers, resources have been allocated to provide technical assistance and consulting for eligible small businesses and community-based partners.

With continued funding of the program, VCC is able to offer its benefits to eligible borrowers throughout the Commonwealth.
